Item 1.01. Enter into a Material Definitive Agreement

Item 2.03. Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant

On December 9, 2005, the Corporation entered into amendments of its loan arrangements with Howard S. Modlin, Chairman of the Board and Chief Executive Officer, and John Segall, a Director. Pursuant to such amendments, an aggregate of \$1,600,000 in secured loans from such directors maturing between September 29, 2005 and September 29, 2006 were extended. Such amendments provided that 50% of each such amended and restated note was amended to be payable one year from the original due date and 50% of each such amended and restated note was amended to be payable two years from the original due date. The conversion features of four notes held by Mr. Modlin, which were convertible into an aggregate of 1,103,896 shares of Common Stock, and three notes held by Mr. Segall, which were convertible into an aggregate of 501,698 shares of Common Stock, were eliminated, and unpaid accrued interest aggregating \$230,945.21, was added to the amended and restated notes. In addition, while interest will continue to accrue at the rate of 10% per annum from December 9, 2005, the first interest payment on the amended and restated notes will not commence until May 1, 2006. In connection with the transactions, Mr. Modlin and Mr. Segall each received seven year warrants expiring December 8, 2012 to purchase Common Stock at 57-1/2 cents per share covering 2,084,204 shares and 1,100,047 shares, respectively. The transactions were unanimously approved by the Corporation's Board of Directors on December 9, 2005.

"Warrant" shall have the meaning assigned to it in the introduction to this Warrant.

2. EXERCISE OF WARRANT.

2.1. Manner of Exercise; Payment of the Purchase Price; Adjustment for Partial Exercise. (a) This Warrant may be exercised by the Holder hereof, in whole or in part, at any time or from time to time through the Expiration Date, by surrendering to the Corporation at its principal office this Warrant, with the form of Election to Purchase Shares attached hereto as Exhibit A (or a reasonable facsimile thereof) duly executed by the Holder and accompanied by payment of the Purchase Price for the number of shares of Common Stock specified in such form.

(b) Payment of the Purchase Price may be made as follows (or by any combination of the following): (i) in United States currency by cash or delivery of a certified check or bank draft payable to the order of the Corporation or by wire transfer to the Corporation, (ii) by cancellation of such number of the shares of Common Stock otherwise issuable to the Holder upon such exercise as shall be specified in such Election to Purchase Shares, such that the excess of the aggregate Current Market Price of such specified number of shares on the date of exercise over the portion of the Purchase Price attributable to such shares shall equal the Purchase Price attributable to the shares of Common Stock to be issued upon such exercise, in which case such amount shall be deemed to have been paid to the Corporation and the number of shares issuable upon such exercise shall be reduced by such specified number, or (iii) by surrender to the Corporation for cancellation certificates representing shares of Common Stock of the Corporation owned by the Holder (properly endorsed for transfer in blank) having a Current Market Price on the date of Warrant exercise equal to the Purchase Price.

(c) In the event of any Partial Exercise of this Warrant, the Warrant Quantity shall be reduced, effective as of the effective date of such Partial Exercise, by such number of shares of Common Stock equal to the difference between (i) the Warrant Quantity on the date of such Partial Exercise and (ii) the number of shares of Common Stock, purchased by the Holder in connection with such Partial Exercise.

2.2. When Exercise Effective. Each exercise of this Warrant shall be deemed to have been effected immediately prior to the close of business on the Business Day on which this Warrant shall have been surrendered to, and the Purchase Price shall have been received by, the Corporation as provided in Section 2.1, and at such time the Person or Persons in whose name or names any certificate or certificates for shares of Common Stock (or Other Securities) shall be issuable upon such exercise as provided in Section 2.3 shall be deemed to have become the holder or holders of record thereof for all purposes.

2.3. Delivery of Stock Certificates, etc.; Charges, Taxes and Expenses. (a) As soon as practicable after each exercise of this Warrant, in whole or in part, and in any event within five (5) Business Days thereafter, the Corporation shall cause to be issued in the name of and delivered to the Holder hereof or, subject to Section 10, as the Holder may direct,

(i) a certificate or certificates for the number of shares of Common Stock (or Other Securities) to which the Holder shall be entitled upon such exercise plus, in lieu of issuance of any

fractional share to which the Holder would otherwise be entitled, if any, a check for the amount of cash equal to the same fraction multiplied by the Current Market Price per share on the date of Warrant exercise, and

(ii) in case such exercise is a Partial Exercise, a new Warrant or Warrants of like tenor, for the balance of the Warrant Quantity, as adjusted pursuant to Section 2.1(c).

(b) Issuance of certificates for shares of Common Stock upon the exercise of this Warrant shall be made without charge to the Holder hereof for any issue or other incidental expense, in respect of the issuance of such certificates, all of which such taxes and expenses shall be paid by the Corporation.

2.4. Corporation to Reaffirm Obligations. The Corporation shall, at the time of each exercise of this Warrant, upon the request of the Holder hereof, acknowledge in writing its continuing obligation to afford to such Holder all rights to which such Holder shall continue to be entitled after such exercise in accordance with the terms of this Warrant, provided that if the Holder of this Warrant shall fail to make any such request, such failure shall not affect the continuing obligation of the Corporation to afford such rights to the Holder.

3. DIVIDENDS AND DISTRIBUTIONS.

3.1. General; Warrant Quantity. This Warrant evidences the right to purchase a number of shares of Common Stock equal to the Warrant Quantity, subject to adjustment as provided in Section 2.1(c).

3.2. Extraordinary Dividends and Distributions. In case the Corporation at any time or from time to time after the date hereof shall declare, order, pay or make a dividend or other distribution (including, without limitation, (i) any distribution of other or additional stock, (ii) other securities or property or (iii) rights, options or warrants to subscribe for purchase or otherwise acquire either shares of Common Stock or securities convertible into or exchangeable for shares of Common Stock, by way of dividend or spin-off, reclassification, recapitalization or similar corporate rearrangement) on the Common Stock other than (a) a dividend payable in shares of Common Stock, then, in each such case, the Corporation shall make proper provision to pay to the Holder of this Warrant, at the time of the exercise of this Warrant such dividend or distribution paid to the holders of the Common Stock, an amount equal to the product of (i) the Warrant Quantity and (ii) the Fair Value of such dividend or distribution, at the time of such dividend or distribution, applicable to one share of Common Stock.

4. CONSOLIDATION, MERGER, ETC.

4.1. Adjustments for Consolidation, Merger, Sale of Assets, Reorganization, etc. In case the Corporation after the date hereof (a) shall consolidate with or merge into any other Person and shall not be the continuing or surviving corporation of such consolidation or merger, (b) shall permit any other Person to consolidate with or merge into the Corporation and the Corporation shall be the continuing or surviving Person but, in connection with

such consolidation or merger, the Common Stock or Other Securities shall be changed into or exchanged for stock or other securities of any other Person or cash or any other property, (c) shall transfer all or substantially all of its properties or assets to any other Person, or (d) shall effect a capital reorganization or reclassification of the Common Stock or Other Securities, then, and in the case of each such transaction, proper provision shall be made so that, upon the basis and the terms and in the manner provided in this Warrant, the Holder of this Warrant, upon the exercise hereof at any time after the consummation of such transaction, shall be entitled to receive (at the aggregate Purchase Price in effect at the time of such consummation for all Common Stock or Other Securities issuable upon such exercise immediately prior to such consummation), in lieu of the Common Stock or Other Securities issuable upon such exercise prior to such consummation, the highest amount of securities, cash or other property to which such Holder would actually have been entitled as a stockholder upon such consummation if such Holder had exercised this Warrant immediately prior thereto, subject to adjustments (subsequent to such consummation) as nearly equivalent as possible to the adjustments provided for in this Warrant. If additional shares of Common Stock are issued by the Corporation pursuant to a stock split or stock dividend in excess of 5% in any one fiscal year of the Corporation, the number of shares of Common Stock then issuable on exercise shall be increased proportionately with no increase in the total purchase price of the shares of Common Stock then covered herein. In the event that the shares of Common Stock of the Corporation are reduced at any time by a combination of shares, the number of shares of Common Stock then issuable on exercise herein shall be reduced proportionately with no reduction in the total purchase price of the shares of Common Stock then covered herein.

4.2. Assumption of Obligations. Notwithstanding anything contained in this Warrant to the contrary, the Corporation shall not effect any of the transactions described in clauses (a) through (d) of Section 4.1 unless, prior to the consummation thereof, each Person (other than the Corporation) which may be required to deliver any stock, securities, cash or property upon the exercise of this Warrant as provided herein shall assume, by written instrument delivered to, and reasonably satisfactory to, the Holder of this Warrant, (a) the obligations of the Corporation under this Warrant (and if the Corporation shall survive the consummation of such transaction, such assumption shall be in addition to, and shall not release the Corporation from, any continuing obligations of the Corporation under this Warrant), and (b) the obligation to deliver to the Holder such shares of stock, securities, cash or property as, in accordance with the foregoing provisions of this Section 4, the Holder may be entitled to receive and such Person shall have similarly delivered to the Holder an opinion of counsel for such Person, which counsel shall be reasonably satisfactory to the Holder, stating that this Warrant shall thereafter continue in full force and effect and the terms hereof (including, without limitation, all of the provisions of this Section 4) shall be applicable to the stock, securities, cash or property which such Person may be required to deliver upon any exercise of this Warrant or the exercise of any rights pursuant hereto.

5. OTHER DILUTIVE EVENTS. In case any event shall occur as to which, the provisions of Section 3 or Section 4 hereof are not strictly applicable or if strictly applicable would not fairly protect the purchase rights of the Holder in accordance with the essential intent and principles of such Sections, then, in each such case, the Board of Directors of the Corporation shall make an adjustment in the application of such provisions, in accordance with such essential intent and principles, so as to preserve, without dilution, the purchase rights represented by this Warrant.

6. NO DILUTION OR IMPAIRMENT. The Corporation shall not, by amendment of its certificate of incorporation or through any consolidation, merger, reorganization, transfer of assets, dissolution, issue or sale of securities or any other voluntary action, avoid or seek to avoid the observance or performance of any of the terms of this Warrant, but will at all times in good faith assist in the carrying out of all such terms, and in the taking of all such action, as may be necessary or appropriate in order to protect the rights of the Holder of this Warrant against dilution or other impairment. Without limiting the generality of the foregoing, the Corporation (a) shall not permit the par value of any shares of stock receivable upon the exercise of this Warrant to exceed the amount payable therefor upon such exercise, (b) shall take all such action as may be necessary or appropriate in order that the Corporation may validly and legally issue fully paid and nonassessable shares of stock, free from all taxes, liens, security interests, encumbrances, preemptive rights and charges on the exercise of this Warrant from time to time outstanding, (c) shall not take any action which results in any adjustment of the Warrant Quantity if the total number of shares of Common Stock (or Other Securities) issuable after the action upon the exercise of all of this Warrant would exceed the total number of shares of Common Stock (or Other Securities) then authorized by the Corporation's certificate of incorporation and available for the purpose of issue upon such exercise, and (d) shall not issue any capital stock of any class which is preferred as to dividends or as to the distribution of assets upon voluntary or involuntary dissolution, liquidation or winding up, unless the rights of the holders thereof shall be limited to a fixed sum or percentage of par value or a sum determined by reference to a formula based on a published index of interest rates, an interest rate publicly announced by a financial institution or a similar indicator of interest rates in respect of participation in dividends and to a fixed sum or percentage of par value in any such distribution of assets.

7. NOTICES OF CORPORATE ACTION. In the event of:

(a) any taking by the Corporation of a record of the holders of any class of securities for the purpose of determining the holders thereof who are entitled to receive any dividend or other distribution, or any right to subscribe for, purchase or otherwise acquire any shares of stock of any class or any other securities or property, or to receive any other right, or

(b) any capital reorganization of the Corporation, any reclassification or recapitalization of the capital stock of the Corporation, any consolidation or merger involving the Corporation and any other Person, any transaction or series of transactions by the Corporation in which more than 50% of the voting securities of the Corporation are transferred to another Person,

<PAGE>

or any transfer, sale or other disposition of all or substantially all the assets of the Corporation to any other Person, or

(c) any voluntary or involuntary dissolution, liquidation or winding-up of the Corporation,

the Corporation shall mail to each holder of a Warrant a notice specifying (i) the date or expected date on which any such record is to be taken for the purpose of such dividend, distribution or right, and the amount and character of such dividend, distribution or right, and (ii) the date or expected date on which any such reorganization, reclassification, recapitalization, consolidation, merger, transfer, sale, disposition, dissolution, liquidation or winding-up is to take place and the time, if any such time is to be fixed, as of which the holders of record of Common Stock (or Other Securities) shall be entitled to exchange their shares of Common Stock (or Other Securities) for the securities or other property deliverable upon such reorganization, reclassification, recapitalization, consolidation, merger, transfer, dissolution, liquidation or winding-up. Such notice shall be mailed at least 30 days prior to the date therein specified.

8. REGISTRATION OF COMMON STOCK. If any shares of Common Stock required to be reserved for purposes of exercise of this Warrant require registration with or approval of any governmental authority under any federal or state law (other than the Securities Act) before such shares may be issued upon exercise, the Corporation shall, at its expense and as expeditiously as possible, use its best efforts to cause such shares to be duly registered or approved, as the case may be. At any such time as Common Stock is listed on any national securities exchange, the Corporation shall, at its expense, obtain promptly and maintain the approval for listing on each such exchange, upon official notice of issuance, the shares of Common Stock issuable upon exercise of the then outstanding warrants and maintain the listing of such shares after their issuance; and the Corporation shall also list on such national securities exchange, shall register under the Exchange Act and shall maintain such listing of, any Other Securities that at any time are issuable upon exercise of the Warrants, if and at the time that any securities of the same class shall be listed on such national securities exchange by the Corporation.

9. RESTRICTIONS ON TRANSFER.

9.1. Restrictive Legends. Except as otherwise permitted by this Section 9, each Warrant (including each Warrant issued upon the transfer of any Warrant) shall be stamped or otherwise imprinted with a legend in substantially the following form:

"THIS WARRANT AND ANY SECURITIES ACQUIRED UPON THE EXERCISE OF THIS WARRANT HAVE NOT BEEN REGISTERED UNDER THE SECURITIES ACT OF 1933, AS AMENDED, OR THE SECURITIES LAWS OF ANY STATE, AND MAY NOT BE SOLD, TRANSFERRED OR OTHERWISE DISPOSED OF EXCEPT PURSUANT TO AN EFFECTIVE REGISTRATION STATEMENT UNDER SUCH ACT AND APPLICABLE STATE SECURITIES LAWS OR PURSUANT TO AN APPLICABLE EXEMPTION TO THE REGISTRATION REQUIREMENTS OF SUCH ACT AND SUCH LAWS. THIS WARRANT AND SUCH

<PAGE>

SECURITIES MAY NOT BE SOLD, TRANSFERRED OR OTHERWISE DISPOSED OF EXCEPT IN COMPLIANCE WITH THE CONDITIONS SPECIFIED IN THIS WARRANT, COPIES OF WHICH WILL BE MADE AVAILABLE UPON REQUEST."

Except as otherwise permitted by this Section 9, each certificate for Common Stock (or Other Securities) issued upon the exercise of any Warrant, and each certificate issued upon the transfer of any such Common Stock (or Other Securities), shall be stamped or otherwise imprinted with a legend in substantially the following form:

"THE SECURITIES REPRESENTED BY THIS CERTIFICATE HAVE NOT BEEN REGISTERED UNDER THE SECURITIES ACT OF 1933, AS AMENDED, OR THE SECURITIES LAWS OF ANY STATE, AND MAY NOT BE SOLD, TRANSFERRED OR OTHERWISE DISPOSED OF EXCEPT PURSUANT TO AN EFFECTIVE REGISTRATION STATEMENT UNDER SUCH ACT AND APPLICABLE STATE SECURITIES LAWS OR PURSUANT TO AN APPLICABLE EXEMPTION TO THE REGISTRATION REQUIREMENTS OF SUCH ACT AND SUCH LAWS. SUCH SECURITIES MAY NOT BE SOLD, TRANSFERRED OR OTHERWISE DISPOSED OF EXCEPT IN COMPLIANCE WITH THE CONDITIONS SPECIFIED IN THE COMMON STOCK PURCHASE WARRANT ISSUED BY GENERAL DATACOMM INDUSTRIES, INC., A COMPLETE AND CORRECT COPY OF WHICH IS AVAILABLE FOR INSPECTION AT THE PRINCIPAL OFFICE OF THE ISSUER HEREOF AND WILL BE FURNISHED TO THE HOLDER OF SUCH SECURITIES UPON WRITTEN REQUEST AND WITHOUT CHARGE."

9.2. Transfer to Comply With the Securities Act. Restricted Securities may not be sold, assigned, pledged, hypothecated, encumbered or in any manner transferred or disposed of, in whole or in part, except pursuant to (i) an effective registration statement under the Securities Act and/or applicable state securities or Blue Sky laws or (ii) an exemption from registration under the Securities Act which is available.

9.3. Termination of Restrictions. The restrictions imposed by this Section 9 on the transferability of Restricted Securities shall cease and terminate as to any particular Restricted Securities (a) when a registration statement with respect to the sale of such securities shall have been declared effective under the Securities Act and such securities shall have been disposed of in accordance with such registration statement, (b) when such securities are sold pursuant to Rule 144 (or any similar provision then in force) under the Securities Act, or (c) when, in the opinion of both counsel for the Holder and counsel for the Corporation, such restrictions are no longer required or necessary in order to protect the Corporation against a violation of the Securities Act upon any sale or other disposition of such securities without registration thereunder. Whenever such restrictions shall cease and terminate as to any Restricted Securities, the Holder shall be entitled to receive from the Corporation, without expense, new securities of like tenor not bearing the applicable legends required by Section 9.1.

10. REPRESENTATIONS OF THE CORPORATION.

10.1. Organization and Qualification. The Corporation is a corporation duly organized and validly existing in good standing under the laws of the jurisdiction in which it is incorporated, and has the requisite corporate power to own its properties and to carry on its business as now being conducted. The Corporation is duly qualified as a foreign corporation to do business and is in good standing in every jurisdiction in which the nature of the business conducted by it makes such qualification necessary.

10.2. Authorization; Enforcement; Compliance with Other Instruments. (i) The Corporation has the requisite corporate power and authority to enter into and perform its obligations under this Warrant and to issue the shares of Common Stock issuable upon exercise of this Warrant, (the "Warrant Shares") upon the exercise of this Warrant, in accordance with the terms hereof, (ii) the execution and delivery of this Warrant by the Corporation and the consummation by it of the transactions contemplated hereby and thereby, including, without limitation, the issuance of this Warrant and the reservation for issuance and the issuance of the Warrant Shares, upon exercise of this Warrant, have been duly authorized by the Corporation's Board of Directors and no further consent or authorization is required by the Corporation, its Board of Directors or its stockholders, (iii) this Warrant has been duly executed and delivered by the Corporation, and (iv) this Warrant constitutes valid and binding obligations of the Corporation enforceable against the Corporation in accordance with its terms, except as such enforceability may be limited by general principles of equity or applicable bankruptcy, insolvency, reorganization, moratorium, liquidation or similar laws relating to, or affecting generally, the enforcement of creditors' rights and remedies.

10.3. Issuance of Warrant and Warrant Shares. This Warrant is duly authorized and shall not be subject to preemptive rights or other similar rights of stockholders of the Corporation. The Warrant Shares have been duly authorized and reserved for issuance upon exercise of this Warrant, and upon such exercise, will be validly issued, fully paid and non-assessable, free from all taxes, liens and charges with respect to the issue thereof, and will not be subject to preemptive rights or other similar rights of stockholders of the Corporation.

10.4. No Conflicts. The execution, delivery and performance of this Warrant by the Corporation, and the consummation by the Corporation of the transactions contemplated hereby (including, without limitation, the issuance of the Warrant Shares) will not (i) result in a violation of any organizational documents governing the Corporation or (ii) violate or conflict with, or result in a breach of any provision of, or constitute a default (or an event which with notice or lapse of time or both would become a default) under, or give to others any rights of termination, amendment, acceleration or cancellation of, any material agreement, indenture or instrument to which the Corporation or any of its subsidiaries is a party, or result in a violation of any law, rule, regulation, order, judgment or decree applicable to the Corporation or any of its subsidiaries or by which any property or asset of the Corporation or any of its subsidiaries is bound or affected. The Corporation is not required to obtain any consent, authorization or order of, or make any filing or registration with,

any court or governmental or regulatory or self-regulatory agency in order for it to execute, deliver or perform any of its obligations under or contemplated by this Warrant in accordance with the terms hereof. All consents, authorizations, orders, filings and registrations which the Corporation is required to obtain pursuant to the preceding sentence have been obtained or effected on or prior to the date hereof.

The Corporation is not and, upon issuance of this Warrant or the Warrant Shares, will not be an "investment company," a company controlled by an "investment company" or an "affiliated person" of, or "promoter" or "principal underwriter" for, an "investment company" as such terms are defined in the Investment Company Act of 1940, as amended.

11. RESERVATION OF STOCK, ETC. The Corporation shall at all times reserve and keep available, solely for issuance and delivery upon exercise of this Warrant and any other warrants outstanding, the number of shares of Common Stock (or Other Securities) from time to time issuable upon exercise of this Warrant and any other warrants then outstanding. All shares of Common Stock (or Other Securities) issuable upon exercise of this Warrant shall be duly authorized and, when issued upon such exercise, shall be validly issued and, in the case of shares, fully paid and nonassessable, with no liability on the part of the holders thereof, and, in the case of all securities, shall be free from all taxes, liens, security interests, encumbrances, preemptive rights and charges. The transfer agent for the Common Stock, which may be the Corporation ("Transfer Agent"), and every subsequent Transfer Agent for any shares of the Corporation's capital stock issuable upon the exercise of any of the purchase rights represented by this Warrant, are hereby irrevocably authorized and directed at all times until the Expiration Date to reserve such number of authorized and unissued shares as shall be requisite for such purpose. The Corporation shall keep copies of this Warrant on file with the Transfer Agent for the Common Stock and with every subsequent Transfer Agent for any shares of the Corporation's capital stock issuable upon the exercise of the rights of purchase represented by this Warrant. The Corporation shall supply such Transfer Agent with duly executed stock certificates for such purpose.

12. REGISTRATION AND TRANSFER OF WARRANTS, ETC.

12.1. Warrant Register; Ownership of Warrants. Each Warrant issued by the Corporation shall be numbered and shall be registered in a warrant register (the "Warrant Register") as it is issued and transferred, which Warrant Register shall be maintained by the Corporation at its principal office or, at the Corporation's election and expense, by a Warrant Agent or the Transfer Agent. The Corporation shall be entitled to treat the registered holder of any Warrant on the Warrant Register as the owner in fact thereof for all purposes and shall not be bound to recognize any equitable or other claim to or interest in such Warrant on the part of any other Person, and shall not be affected by any notice to the contrary, except that, if and when any Warrant is properly assigned in blank, the Corporation may (but shall not be obligated to) treat the bearer thereof as the owner of such Warrant for all purposes. Subject to Section 9, a Warrant, if properly assigned, may be exercised by a new holder without a new Warrant first having been issued.

<PAGE>

12.2. Transfer of Warrants. Subject to compliance with Section 9, if applicable, this Warrant and all rights hereunder are transferable, in whole or in part, without charge to the Holder hereof, upon surrender of this Warrant with a properly executed Form of Assignment, attached hereto as Exhibit B, at the principal office of the Corporation, to any family member of the Holder and/or any trust, corporation or other affiliate of any such family member. Upon any partial transfer, the Corporation shall, at its expense, issue and deliver to the Holder a new Warrant of like tenor, in the name of the Holder, which shall be exercisable for such number of shares of Common Stock with respect to which rights under this Warrant were not so transferred. Warrant Shares are transferable, in whole or in part, without charge to the Holder thereof, to any family member of the Holder and/or any trust, corporation or other affiliate of any such family member.

12.3. Replacement of Warrants. On receipt by the Corporation of evidence reasonably satisfactory to the Corporation of the loss, theft, destruction or mutilation of this Warrant and, in the case of any such loss, theft or destruction of this Warrant, on delivery of an indemnity agreement reasonably satisfactory in form and amount to the Corporation or, in the case of any such mutilation, on surrender of such Warrant to the Corporation at its principal office and cancellation thereof, the Corporation, at its expense, shall execute and deliver, in lieu thereof, a new Warrant of like tenor.

12.4. Adjustments To Number of Shares. Notwithstanding the number of shares of Common Stock purchasable upon exercise of this Warrant, any Warrant theretofore or thereafter issued may continue to express the same number of shares of Common Stock as are stated in this Warrant, as initially issued.

12.5. Fractional Shares. Notwithstanding any adjustment in the number of shares of Common Stock covered by this Warrant or any other provision of this Warrant, the Corporation shall not be required to issue fractions of shares upon exercise of this Warrant or to distribute certificates which evidence fractional shares. In lieu of fractional shares, the Corporation shall make payment to the Holder, at the time of exercise of this Warrant as herein provided, in an amount in cash equal to such fraction (after aggregation of all shares and fractional shares to be issued upon such exercise) multiplied by the Current Market Price of a share of Common Stock on the date of Warrant exercise.

13. REMEDIES; SPECIFIC PERFORMANCE. The Corporation stipulates that there would be no adequate remedy at law to the Holder of this Warrant in the event of any default or threatened default by the Corporation in the performance of or compliance with any of the terms of this Warrant and accordingly, the Corporation agrees that, in addition to any other remedy to which the Holder may be entitled at law or in equity, the Holder shall be entitled to seek to compel specific performance of the obligations of the Corporation under this Warrant, without the posting of any bond, in accordance with the terms and conditions of this Warrant in any court of the United States or any State thereof having jurisdiction, and if any action should be brought in equity to enforce any of the provisions of this Warrant, the Corporation shall not raise the defense that there is an adequate remedy at law. Except as otherwise provided by law, a delay or omission by the Holder hereto in exercising any right or remedy accruing upon any such breach shall not impair

<PAGE>

the right or remedy or constitute a waiver of or acquiescence in any such breach. No remedy shall be exclusive of any other remedy. All available remedies shall be cumulative.

14. NO LIABILITIES AS STOCKHOLDER. Nothing contained in this Warrant shall be construed as imposing any obligation on the Holder to purchase any securities or as imposing any liabilities on the Holder as a stockholder of the Corporation, whether such obligation or liabilities are asserted by the Corporation or by creditors of the Corporation.

15. NOTICES. All notices and other communications (and deliveries) provided for or permitted hereunder shall be made in writing by hand delivery, telecopier, any courier guaranteeing overnight delivery or first class registered or certified mail, return receipt requested, postage prepaid, addressed as follows:

2. EXERCISE OF WARRANT.

2.1. Manner of Exercise; Payment of the Purchase Price; Adjustment for Partial Exercise. (a) This Warrant may be exercised by the Holder hereof, in whole or in part, at any time or from time to time through the Expiration Date, by surrendering to the Corporation at its principal office this Warrant, with the form of Election to Purchase Shares attached hereto as Exhibit A (or a reasonable facsimile thereof) duly executed by the Holder and accompanied by payment of the Purchase Price for the number of shares of Common Stock specified in such form.

(b) Payment of the Purchase Price may be made as follows (or by any combination of the following): (i) in United States currency by cash or delivery of a certified check or bank draft payable to the order of the Corporation or by wire transfer to the Corporation, (ii) by cancellation of such number of the shares of Common Stock otherwise issuable to the Holder upon such exercise as shall be specified in such Election to Purchase Shares, such that the excess of the aggregate Current Market Price of such specified number of shares on the date of exercise over the portion of the Purchase Price attributable to such shares shall equal the Purchase Price attributable to the shares of Common Stock to be issued upon such exercise, in which case such amount shall be deemed to have been paid to the Corporation and the number of shares issuable upon such exercise shall be reduced by such specified number, or (iii) by surrender to the Corporation for cancellation certificates representing shares of Common Stock of the Corporation owned by the Holder (properly endorsed for transfer in blank) having a Current Market Price on the date of Warrant exercise equal to the Purchase Price.

(c) In the event of any Partial Exercise of this Warrant, the Warrant Quantity shall be reduced, effective as of the effective date of such Partial Exercise, by such number of shares of Common Stock equal to the difference between (i) the Warrant Quantity on the date of such Partial Exercise and (ii) the number of shares of Common Stock, purchased by the Holder in connection with such Partial Exercise.

2.2. When Exercise Effective. Each exercise of this Warrant shall be deemed to have been effected immediately prior to the close of business on the Business Day on which this Warrant shall have been surrendered to, and the Purchase Price shall have been received by, the Corporation as provided in Section 2.1, and at such time the Person or Persons in whose name or names any certificate or certificates for shares of Common Stock (or Other Securities) shall be issuable upon such exercise as provided in Section 2.3 shall be deemed to have become the holder or holders of record thereof for all purposes.

2.3. Delivery of Stock Certificates, etc.; Charges, Taxes and Expenses. (a) As soon as practicable after each exercise of this Warrant, in whole or in part, and in any event within five (5) Business Days thereafter, the Corporation shall cause to be issued in the name of and delivered to the Holder hereof or, subject to Section 10, as the Holder may direct,

(i) a certificate or certificates for the number of shares of Common Stock (or Other Securities) to which the Holder shall be entitled upon such exercise plus, in lieu of issuance of any

fractional share to which the Holder would otherwise be entitled, if any, a check for the amount of cash equal to the same fraction multiplied by the Current Market Price per share on the date of Warrant exercise, and

(ii) in case such exercise is a Partial Exercise, a new Warrant or Warrants of like tenor, for the balance of the Warrant Quantity, as adjusted pursuant to Section 2.1(c).

(b) Issuance of certificates for shares of Common Stock upon the exercise of this Warrant shall be made without charge to the Holder hereof for any issue or other incidental expense, in respect of the issuance of such certificates, all of which such taxes and expenses shall be paid by the Corporation.

2.4. Corporation to Reaffirm Obligations. The Corporation shall, at the time of each exercise of this Warrant, upon the request of the Holder hereof, acknowledge in writing its continuing obligation to afford to such Holder all rights to which such Holder shall continue to be entitled after such exercise in accordance with the terms of this Warrant, provided that if the Holder of this Warrant shall fail to make any such request, such failure shall not affect the continuing obligation of the Corporation to afford such rights to the Holder.

3. DIVIDENDS AND DISTRIBUTIONS.

3.1. General; Warrant Quantity. This Warrant evidences the right to purchase a number of shares of Common Stock equal to the Warrant Quantity, subject to adjustment as provided in Section 2.1(c).

3.2. Extraordinary Dividends and Distributions. In case the Corporation at any time or from time to time after the date hereof shall declare, order, pay or make a dividend or other distribution (including, without limitation, (i) any distribution of other or additional stock, (ii) other securities or property or (iii) rights, options or warrants to subscribe for purchase or otherwise acquire either shares of Common Stock or securities convertible into or exchangeable for shares of Common Stock, by way of dividend or spin-off, reclassification, recapitalization or similar corporate rearrangement) on the Common Stock other than (a) a dividend payable in shares of Common Stock, then, in each such case, the Corporation shall make proper provision to pay to the Holder of this Warrant, at the time of the exercise of this Warrant such dividend or distribution paid to the holders of the Common Stock, an amount equal to the product of (i) the Warrant Quantity and (ii) the Fair Value of such dividend or distribution, at the time of such dividend or distribution, applicable to one share of Common Stock.

4. CONSOLIDATION, MERGER, ETC.

4.1. Adjustments for Consolidation, Merger, Sale of Assets, Reorganization, etc. In case the Corporation after the date hereof (a) shall consolidate with or merge into any other Person and shall not be the continuing or surviving corporation of such consolidation or merger, (b) shall permit any

<PAGE>

other Person to consolidate with or merge into the Corporation and the Corporation shall be the continuing or surviving Person but, in connection with such consolidation or merger, the Common Stock or Other Securities shall be changed into or exchanged for stock or other securities of any other Person or cash or any other property, (c) shall transfer all or substantially all of its properties or assets to any other Person, or (d) shall effect a capital reorganization or reclassification of the Common Stock or Other Securities, then, and in the case of each such transaction, proper provision shall be made so that, upon the basis and the terms and in the manner provided in this Warrant, the Holder of this Warrant, upon the exercise hereof at any time after the consummation of such transaction, shall be entitled to receive (at the aggregate Purchase Price in effect at the time of such consummation for all Common Stock or Other Securities issuable upon such exercise immediately prior to such consummation), in lieu of the Common Stock or Other Securities issuable upon such exercise prior to such consummation, the highest amount of securities, cash or other property to which such Holder would actually have been entitled as a stockholder upon such consummation if such Holder had exercised this Warrant immediately prior thereto, subject to adjustments (subsequent to such consummation) as nearly equivalent as possible to the adjustments provided for in this Warrant. If additional shares of Common Stock are issued by the Corporation pursuant to a stock split or stock dividend in excess of 5% in any one fiscal year of the Corporation, the number of shares of Common Stock then issuable on exercise shall be increased proportionately with no increase in the total purchase price of the shares of Common Stock then covered herein. In the event that the shares of Common Stock of the Corporation are reduced at any time by a combination of shares, the number of shares of Common Stock then issuable on exercise herein shall be reduced proportionately with no reduction in the total purchase price of the shares of Common Stock then covered herein.

4.2. Assumption of Obligations. Notwithstanding anything contained in this Warrant to the contrary, the Corporation shall not effect any of the transactions described in clauses (a) through (d) of Section 4.1 unless, prior to the consummation thereof, each Person (other than the Corporation) which may be required to deliver any stock, securities, cash or property upon the exercise of this Warrant as provided herein shall assume, by written instrument delivered to, and reasonably satisfactory to, the Holder of this Warrant, (a) the obligations of the Corporation under this Warrant (and if the Corporation shall survive the consummation of such transaction, such assumption shall be in addition to, and shall not release the Corporation from, any continuing obligations of the Corporation under this Warrant), and (b) the obligation to deliver to the Holder such shares of stock, securities, cash or property as, in accordance with the foregoing provisions of this Section 4, the Holder may be entitled to receive and such Person shall have similarly delivered to the Holder an opinion of counsel for such Person, which counsel shall be reasonably satisfactory to the Holder, stating that this Warrant shall thereafter continue in full force and effect and the terms hereof (including, without limitation, all of the provisions of this Section 4) shall be applicable to the stock, securities, cash or property which such Person may be required to deliver upon any exercise of this Warrant or the exercise of any rights pursuant hereto.

5. OTHER DILUTIVE EVENTS. In case any event shall occur as to which, the provisions of Section 3 or Section 4 hereof are not strictly applicable or if strictly applicable would not fairly protect the purchase

<PAGE>

rights of the Holder in accordance with the essential intent and principles of such Sections, then, in each such case, the Board of Directors of the Corporation shall make an adjustment in the application of such provisions, in accordance with such essential intent and principles, so as to preserve, without dilution, the purchase rights represented by this Warrant.

6. NO DILUTION OR IMPAIRMENT. The Corporation shall not, by amendment of its certificate of incorporation or through any consolidation, merger, reorganization, transfer of assets, dissolution, issue or sale of securities or any other voluntary action, avoid or seek to avoid the observance or performance of any of the terms of this Warrant, but will at all times in good faith assist in the carrying out of all such terms, and in the taking of all such action, as may be necessary or appropriate in order to protect the rights of the Holder of this Warrant against dilution or other impairment. Without limiting the generality of the foregoing, the Corporation (a) shall not permit the par value of any shares of stock receivable upon the exercise of this Warrant to exceed the amount payable therefor upon such exercise, (b) shall take all such action as may be necessary or appropriate in order that the Corporation may validly and legally issue fully paid and nonassessable shares of stock, free from all taxes, liens, security interests, encumbrances, preemptive rights and charges on the exercise of this Warrant from time to time outstanding, (c) shall not take any action which results in any adjustment of the Warrant Quantity if the total number of shares of Common Stock (or Other Securities) issuable after the action upon the exercise of all of this Warrant would exceed the total number of shares of Common Stock (or Other Securities) then authorized by the Corporation's certificate of incorporation and available for the purpose of issue upon such exercise, and (d) shall not issue any capital stock of any class which is preferred as to dividends or as to the distribution of assets upon voluntary or involuntary dissolution, liquidation or winding up, unless the rights of the holders thereof shall be limited to a fixed sum or percentage of par value or a sum determined by reference to a formula based on a published index of interest rates, an interest rate publicly announced by a financial institution or a similar indicator of interest rates in respect of participation in dividends and to a fixed sum or percentage of par value in any such distribution of assets.

7. NOTICES OF CORPORATE ACTION. In the event of:

(a) any taking by the Corporation of a record of the holders of any class of securities for the purpose of determining the holders thereof who are entitled to receive any dividend or other distribution, or any right to subscribe for, purchase or otherwise acquire any shares of stock of any class or any other securities or property, or to receive any other right, or

(b) any capital reorganization of the Corporation, any reclassification or recapitalization of the capital stock of the Corporation, any consolidation or merger involving the Corporation and any other Person, any transaction or series of transactions by the Corporation in which more than 50% of the voting securities of the Corporation are transferred to another Person, or any transfer, sale or other disposition of all or substantially all the assets of the Corporation to any other Person, or

(c) any voluntary or involuntary dissolution, liquidation or winding-up of the Corporation,

the Corporation shall mail to each holder of a Warrant a notice specifying (i) the date or expected date on which any such record is to be taken for the purpose of such dividend, distribution or right, and the amount and character of such dividend, distribution or right, and (ii) the date or expected date on which any such reorganization, reclassification, recapitalization, consolidation, merger, transfer, sale, disposition, dissolution, liquidation or winding-up is to take place and the time, if any such time is to be fixed, as of which the holders of record of Common Stock (or Other Securities) shall be entitled to exchange their shares of Common Stock (or Other Securities) for the securities or other property deliverable upon such reorganization, reclassification, recapitalization, consolidation, merger, transfer, dissolution, liquidation or winding-up. Such notice shall be mailed at least 30 days prior to the date therein specified.

8. REGISTRATION OF COMMON STOCK. If any shares of Common Stock required to be reserved for purposes of exercise of this Warrant require registration with or approval of any governmental authority under any federal or state law (other than the Securities Act) before such shares may be issued upon exercise, the Corporation shall, at its expense and as expeditiously as possible, use its best efforts to cause such shares to be duly registered or approved, as the case may be. At any such time as Common Stock is listed on any national securities exchange, the Corporation shall, at its expense, obtain promptly and maintain the approval for listing on each such exchange, upon official notice of issuance, the shares of Common Stock issuable upon exercise of the then outstanding warrants and maintain the listing of such shares after their issuance; and the Corporation shall also list on such national securities exchange, shall register under the Exchange Act and shall maintain such listing of, any Other Securities that at any time are issuable upon exercise of the Warrants, if and at the time that any securities of the same class shall be listed on such national securities exchange by the Corporation.

9. RESTRICTIONS ON TRANSFER.

9.1. Restrictive Legends. Except as otherwise permitted by this Section 9, each Warrant (including each Warrant issued upon the transfer of any Warrant) shall be stamped or otherwise imprinted with a legend in substantially the following form:

"THIS WARRANT AND ANY SECURITIES ACQUIRED UPON THE EXERCISE OF THIS WARRANT HAVE NOT BEEN REGISTERED UNDER THE SECURITIES ACT OF 1933, AS AMENDED, OR THE SECURITIES LAWS OF ANY STATE, AND MAY NOT BE SOLD, TRANSFERRED OR OTHERWISE DISPOSED OF EXCEPT PURSUANT TO AN EFFECTIVE REGISTRATION STATEMENT UNDER SUCH ACT AND APPLICABLE STATE SECURITIES LAWS OR PURSUANT TO AN APPLICABLE EXEMPTION TO THE REGISTRATION REQUIREMENTS OF SUCH ACT AND SUCH LAWS. THIS WARRANT AND SUCH SECURITIES MAY NOT BE SOLD, TRANSFERRED OR OTHERWISE DISPOSED OF EXCEPT IN COMPLIANCE WITH THE CONDITIONS SPECIFIED IN THIS WARRANT, COPIES OF WHICH WILL BE MADE AVAILABLE UPON REQUEST."

<PAGE>

Except as otherwise permitted by this Section 9, each certificate for Common Stock (or Other Securities) issued upon the exercise of any Warrant, and each certificate issued upon the transfer of any such Common Stock (or Other Securities), shall be stamped or otherwise imprinted with a legend in substantially the following form:

"THE SECURITIES REPRESENTED BY THIS CERTIFICATE HAVE NOT BEEN REGISTERED UNDER THE SECURITIES ACT OF 1933, AS AMENDED, OR THE SECURITIES LAWS OF ANY STATE, AND MAY NOT BE SOLD, TRANSFERRED OR OTHERWISE DISPOSED OF EXCEPT PURSUANT TO AN EFFECTIVE REGISTRATION STATEMENT UNDER SUCH ACT AND APPLICABLE STATE SECURITIES LAWS OR PURSUANT TO AN APPLICABLE EXEMPTION TO THE REGISTRATION REQUIREMENTS OF SUCH ACT AND SUCH LAWS. 9.2. Transfer to Comply With the Securities Act. Restricted Securities may not be sold, assigned, pledged, hypothecated, encumbered or in any manner transferred or disposed of, in whole or in part, except pursuant to (i) an effective registration statement under the Securities Act and/or applicable state securities or Blue Sky laws or (ii) an exemption from registration under the Securities Act which is available.

9.3. Termination of Restrictions. The restrictions imposed by this Section 9 on the transferability of Restricted Securities shall cease and terminate as to any particular Restricted Securities (a) when a registration statement with respect to the sale of such securities shall have been declared effective under the Securities Act and such securities shall have been disposed of in accordance with such registration statement, (b) when such securities are sold pursuant to Rule 144 (or any similar provision then in force) under the Securities Act, or (c) when, in the opinion of both counsel for the Holder and counsel for the Corporation, such restrictions are no longer required or necessary in order to protect the Corporation against a violation of the Securities Act upon any sale or other disposition of such securities without registration thereunder. Whenever such restrictions shall cease and terminate as to any Restricted Securities, the Holder shall be entitled to receive from the Corporation, without expense, new securities of like tenor not bearing the applicable legends required by Section 9.1.

10. REPRESENTATIONS OF THE CORPORATION.

10.1. Organization and Qualification. The Corporation is a corporation duly organized and validly existing in good standing under the laws of the jurisdiction in which it is incorporated, and has the requisite corporate power to own its properties and to carry on its business as now being conducted. The Corporation is duly qualified as a foreign corporation to do business and is in good standing in every jurisdiction in which the nature of the business conducted by it makes such qualification necessary.

10.2. Authorization; Enforcement; Compliance with Other Instruments. (i) The Corporation has the requisite corporate power and authority to enter into and perform its obligations under this Warrant and to issue the shares of Common Stock issuable upon exercise of this Warrant, (the "Warrant Shares") upon the exercise of this Warrant, in accordance with the terms hereof, (ii) the execution and delivery of this Warrant by the Corporation and the consummation by it of the transactions contemplated hereby and thereby, including, without limitation, the issuance of this Warrant and the reservation for issuance and the issuance of the Warrant Shares, upon exercise of this Warrant, have been duly authorized by the Corporation's Board of Directors and no further consent or authorization is required by the Corporation, its Board of Directors or its stockholders, (iii) this Warrant has been duly executed and delivered by the Corporation, and (iv) this Warrant constitutes valid and binding obligations of the Corporation enforceable against the Corporation in accordance with its terms, except as such enforceability may be limited by general principles of equity or applicable bankruptcy, insolvency, reorganization, moratorium, liquidation or similar laws relating to, or affecting generally, the enforcement of creditors' rights and remedies.

10.3. Issuance of Warrant and Warrant Shares. This Warrant is duly authorized and shall not be subject to preemptive rights or other similar rights of stockholders of the Corporation. The Warrant Shares have been duly authorized and reserved for issuance upon exercise of this Warrant, and upon such exercise, will be validly issued, fully paid and non-assessable, free from all taxes, liens and charges with respect to the issue thereof, and will not be subject to preemptive rights or other similar rights of stockholders of the Corporation.

10.4. No Conflicts. The execution, delivery and performance of this Warrant by the Corporation, and the consummation by the Corporation of the transactions contemplated hereby (including, without limitation, the issuance of the Warrant Shares) will not (i) result in a violation of any organizational documents governing the Corporation or (ii) violate or conflict with, or result in a breach of any provision of, or constitute a default (or an event which with notice or lapse of time or both would become a default) under, or give to others any rights of termination, amendment, acceleration or cancellation of, any material agreement, indenture or instrument to which the Corporation or any of its subsidiaries is a party, or result in a violation of any law, rule, regulation, order, judgment or decree applicable to the Corporation or any of its subsidiaries or by which any property or asset of the Corporation or any of its subsidiaries is bound or affected. The Corporation is not required to obtain any consent, authorization or order of, or make any filing or registration with, any court or governmental or regulatory or self-regulatory agency in order for it to execute, deliver or perform any of its obligations under or contemplated

by this Warrant in accordance with the terms hereof. All consents, authorizations, orders, filings and registrations which the Corporation is required to obtain pursuant to the preceding sentence have been obtained or effected on or prior to the date hereof.

10.5. Investment Company Status. The Corporation is not and, upon issuance of this Warrant or the Warrant Shares, will not be an "investment company," a company controlled by an "investment company" or an "affiliated person" of, or "promoter" or "principal underwriter" for, an "investment company" as such terms are defined in the Investment Company Act of 1940, as amended.

11. RESERVATION OF STOCK, ETC. The Corporation shall at all times reserve and keep available, solely for issuance and delivery upon exercise of this Warrant and any other warrants outstanding, the number of shares of Common Stock (or Other Securities) from time to time issuable upon exercise of this Warrant and any other warrants then outstanding. All shares of Common Stock (or Other Securities) issuable upon exercise of this Warrant shall be duly authorized and, when issued upon such exercise, shall be validly issued and, in the case of shares, fully paid and nonassessable, with no liability on the part of the holders thereof, and, in the case of all securities, shall be free from all taxes, liens, security interests, encumbrances, preemptive rights and charges. The transfer agent for the Common Stock, which may be the Corporation ("Transfer Agent"), and every subsequent Transfer Agent for any shares of the Corporation's capital stock issuable upon the exercise of any of the purchase rights represented by this Warrant, are hereby irrevocably authorized and directed at all times until the Expiration Date to reserve such number of authorized and unissued shares as shall be requisite for such purpose. The Corporation shall keep copies of this Warrant on file with the Transfer Agent for the Common Stock and with every subsequent Transfer Agent for any shares of the Corporation's capital stock issuable upon the exercise of the rights of purchase represented by this Warrant. The Corporation shall supply such Transfer Agent with duly executed stock certificates for such purpose.

12. REGISTRATION AND TRANSFER OF WARRANTS, ETC.

12.1. Warrant Register; Ownership of Warrants. Each Warrant issued by the Corporation shall be numbered and shall be registered in a warrant register (the "Warrant Register") as it is issued and transferred, which Warrant Register shall be maintained by the Corporation at its principal office or, at the Corporation's election and expense, by a Warrant Agent or the Transfer Agent. The Corporation shall be entitled to treat the registered holder of any Warrant on the Warrant Register as the owner in fact thereof for all purposes and shall not be bound to recognize any equitable or other claim to or interest in such Warrant on the part of any other Person, and shall not be affected by any notice to the contrary, except that, if and when any Warrant is properly assigned in blank, the Corporation may (but shall not be obligated to) treat the bearer thereof as the owner of such Warrant for all purposes. Subject to Section 9, a Warrant, if properly assigned, may be exercised by a new holder without a new Warrant first having been issued.

<PAGE>

12.2. Transfer of Warrants. Subject to compliance with Section 9, if applicable, this Warrant and all rights hereunder are transferable, in whole or in part, without charge to the Holder hereof, upon surrender of this Warrant with a properly executed Form of Assignment, attached hereto as Exhibit B, at the principal office of the Corporation, to any family member of the Holder and/or any trust, corporation or other affiliate of any such family member. Upon any partial transfer, the Corporation shall, at its expense, issue and deliver to the Holder a new Warrant of like tenor, in the name of the Holder, which shall be exercisable for such number of shares of Common Stock with respect to which rights under this Warrant were not so transferred. Warrant Shares are transferable, in whole or in part, without charge to the Holder thereof, to any family member of the Holder and/or any trust, corporation or other affiliate of any such family member.

12.3. Replacement of Warrants. On receipt by the Corporation of evidence reasonably satisfactory to the Corporation of the loss, theft, destruction or mutilation of this Warrant and, in the case of any such loss, theft or destruction of this Warrant, on delivery of an indemnity agreement reasonably satisfactory in form and amount to the Corporation or, in the case of any such mutilation, on surrender of such Warrant to the Corporation at its principal office and cancellation thereof, the Corporation, at its expense, shall execute and deliver, in lieu thereof, a new Warrant of like tenor.

12.4. Adjustments To Number of Shares. Notwithstanding the number of shares of Common Stock purchasable upon exercise of this Warrant, any Warrant theretofore or thereafter issued may continue to express the same number of shares of Common Stock as are stated in this Warrant, as initially issued.

12.5. Fractional Shares. Notwithstanding any adjustment in the number of shares of Common Stock covered by this Warrant or any other provision of this Warrant, the Corporation shall not be required to issue fractions of shares upon exercise of this Warrant or to distribute certificates which evidence fractional shares. In lieu of fractional shares, the Corporation shall make payment to the Holder, at the time of exercise of this Warrant as herein provided, in an amount in cash equal to such fraction (after aggregation of all shares and fractional shares to be issued upon such exercise) multiplied by the Current Market Price of a share of Common Stock on the date of Warrant exercise.

13. REMEDIES; SPECIFIC PERFORMANCE. The Corporation stipulates that there would be no adequate remedy at law to the Holder of this Warrant in the event of any default or threatened default by the Corporation in the performance of or compliance with any of the terms of this Warrant and accordingly, the Corporation agrees that, in addition to any other remedy to which the Holder may be entitled at law or in equity, the Holder shall be entitled to seek to compel specific performance of the obligations of the Corporation under this Warrant, without the posting of any bond, in accordance with the terms and conditions of this Warrant in any court of the United States or any State thereof having jurisdiction, and if any action should be brought in equity to enforce any of the provisions of this Warrant, the Corporation shall not raise the defense that there is an adequate remedy at law. Except as otherwise provided by law, a delay or omission by the Holder hereto in exercising any right or remedy accruing upon any such breach shall not impair

<PAGE>

the right or remedy or constitute a waiver of or acquiescence in any such breach. No remedy shall be exclusive of any other remedy. All available remedies shall be cumulative.

14. NO LIABILITIES AS STOCKHOLDER. Nothing contained in this Warrant shall be construed as imposing any obligation on the Holder to purchase any securities or as imposing any liabilities on the Holder as a stockholder of the Corporation, whether such obligation or liabilities are asserted by the Corporation or by creditors of the Corporation.
